

NEW HAVEN SPONSOR HOSPITAL PROGRAM
PARAMEDIC PROGRAM SUMMARY

EXPENSES and TIME COMMITMENT

The following is an approximate minimum total of the time and cost a student needs for successful completion the NHSHP paramedic program. Note some clinical time necessary may be longer than listed below due the time it may take to obtain completion of psychomotor objectives. It is assumed that a student will require 3-5 independent study hours as a minimum for each hour of didactic or LAB time listed below.

<u>MODULE</u>	<u>DIDACTIC HOURS</u>	<u>LAB HOURS</u>	<u>CLINICAL HOURS</u>
Anatomy and Physiology I	43	12(cadaver lab)	---
Anatomy and Physiology II	43	12(cadaver lab)	---
Pharmacology	28	20	116
Out Pt Lab/ EW/ Anesthesia
